

Creation Celebration Scavenger Hunt

Note to Parents: Below is a list of items from the Creation story as well as blank spaces for your kids to write interesting things they think they can find outside. Read the Creation story together before beginning the scavenger hunt. Cut along the dotted lines to bring the list along on the hunt. You'll also want to bring a garbage bag to pick up any trash you find along the way.

Prayer

Dear God,

Thank you for creating this amazing world, from the sun and sky to the tiny bugs.

Please help us to keep your creation as beautiful as you made it to be.

Thank you for creating us, from our eyes and ears down to our toes!

Amen.

Something that gives light

Something in the sky

A body of water

A rock you think is cool!

A rock big enough to sit on

The tallest tree you can find!

Something you think is beautiful

Something that makes noise

A plant that's your favorite color

A plant with soft leaves

A plant with rough leaves

A plant that's mostly green

An animal that lives in the water

An animal smaller than your hand

An animal that flies

An animal with fur

An animal with scales
